

NIKE FOOTBALL CAMPS UK SUMMER 2020

THE COACHING

The coaching curriculum is designed and delivered by Brighton and Hove Albion Soccer Schools, the award winning community coaching division of Brighton and Hove Albion FC. The programme is inspired by the first team's training protocols to challenge players at all levels. In addition to the club's core practices, each session focuses on a particular skill, delivering conditioned drills and fun activities based on movement. Small-sided games offer the chance to put newly developed skills into practice in a match setting, whilst sports science workshops help players develop as athletes.

ENGLISH

13-14 hours a week of classroom-based lessons

Suitable for all English language levels, except for native speakers

The English curriculum is based on the CLIL approach used in top schools worldwide and is designed to enhance students' use of English in sport and the wider world. Teachers live on-site and all our staff create an immersive English environment by ensuring students communicate in English throughout the camp.

On the first day, students take an English test and are divided into CEFR level classes within their age group, ranging from A1 to C2 (beginner to advanced). Teachers cover general English and sports-related English in their lessons. Using the topic of sport engages students with a common interest in the classroom and equips them with useful vocabulary for their coaching sessions.

Our lessons are fun and interactive, using a combination of traditional classroom techniques, active participation and project work.

At the end of each week, students get an English progress report and completion certificate, along with advice from their teacher on how to continue improving their English at home.

WHAT YOU GET

 13-14hrs of English lessons per week

TEACHER TO STUDENT RATIO 1:12 (average)

ENGLISH REPORT + COMPLETION CERTIFICATE

“We aim to make it a fun and interactive programme, and the students react really well to it. We see excellent results in terms of heightened confidence and improved ability - plus students enjoy it!”
